Go To <http://sugnup.umbrella.com> and Click "Start My Trial"

14 Day Free Trial of Cisco Umbrella

Get started in 30 seconds
No credit card or phone call required

WHAT IS INCLUDED?

- Threat protection like no other – block malware, C2 callbacks, and phishing.
- Predictive intelligence – automates threat protection by uncovering attacks before they launch.
- Worldwide coverage in minutes – no hardware to install or software to maintain.
- Weekly security report – get a personalized summary of malicious requests & more, directly to your inbox.

Need Umbrella for personal use?
[Learn more here.](#)

Yes, I would like to receive email communications about products and offerings from Umbrella and its affiliates. I understand I can unsubscribe at any time.
Number of seats under managed service
2000

Go to your favorite mail client, find email from Umbrella and click "Activate Your Account"

14 Day Free Trial of Cisco Umbrella

WHAT TO EXPECT NEXT?

- You will receive an activation email.
- The Umbrella Guide will walk you through our simple setup.
- Create sample customers and point DNS to 208.67.222.222.
- Get excited! From now on, you'll be spending far less time fixing infected PCs.
- If you purchase when the trial is over, just continue to the use the same account.

Please note: The self service automated trial is limited to a maximum of 2,000 seats but our sales team would be happy to increase this number for you if applicable. Please contact them by emailing cisco.umbrella-sales@cisco.com.
